MEMORANDUM FOR : Colonel Leo P. Geary
AFCIG-5 Room 63083
Pentagon

20 FEB 1961

SUBJECT : OICART Pilot Candidates

1. This is to confirm our agreement of 16 February whereby you will continue to screen pilot files for candidates for the OICART program. Based upon our discussions, I understand that you will give particular attention to pilots engaged in reconnaissance training and activities throughout the country. Although the initial meeting concerning pilot candidates has produced a list of sixteen potential candidates, I feel, as I am certain you do, that we should not be content to accept these candidates as final selections for assessment without investigating all possible avenues of qualified candidates.

2. In view of the limited time available to us prior to pilot assessment and training, it is requested that you give your earliest attention to this matter.

STANLEY W. EERLI
Colonel USAF
Acting Chief, DPD-DD/P
